What Is Splunk?

Company

You see servers and devices, apps and logs, traffic and clouds. We see data—

Austria

everywhere. Splunk® offers the leading platform for Operational Intelligence. It enables

the curious to look closely at what others ignore—machine data—and find what others

Zip/Postal Code

never see: insights that can help make your company more productive, profitable,

competitive and secure. What can you do with Splunk?

Just ask.
